Who We Are

At Food & Beverage Manitoba, we champion Manitoba's food and beverage processing industry by empowering members with the tools, resources, and support they need to grow. From farmers' market start-ups to national brands, we proudly support the producers and processors who drive Manitoba's economy and strengthen our communities.

Our Commitment

We're dedicated to advancing the Manitoba Made food and beverage sector by providing members with:

- Market development support
- Workforce training and upskilling
- Networking and collaboration opportunities
- Food safety and quality assurance consultation
- Timely information on trade, regulations, and government programs

FABMb connects businesses, entrepreneurs, and industry leaders to opportunities that shape the future of food. We advocate for the sector, foster sustainability, and support workforce development to build a resilient and prosperous food ecosystem in Manitoba.

Our membership spans the full spectrum of business development—from family-run start-ups to global corporations. Each has unique needs, and your services and sponsorships can play a pivotal role in helping them thrive.

We work to strengthen connections across our membership, encouraging partnerships that deliver lasting value. By sharing your expertise, you help our members build trust, capacity, and long-term success.

In a rapidly changing industry, our strength lies in community and collaboration. We equip members with the knowledge and support needed to navigate trade pressures, climate challenges, and supply chain disruptions.

Today, we are proud to represent nearly 300 member companies dedicated to feeding Manitobans, Canadians, and global markets with exceptional local products.

By partnering with Food & Beverage Manitoba, you're supporting innovative companies creating delicious, high-quality food—from grocery shelves to family tables.

Spoiler Alert! — Food Safety Summit

March 5, 2026

Food safety is the foundation of consumer trust and brand integrity. The Spoiler Alert Food Safety Summit brings together processors, regulators, suppliers, and consultants to explore the latest technologies, compliance requirements, and best practices that ensure Manitoba's food and beverage industry stays ahead of evolving standards.

This one-day event features keynote presentations, technical sessions, and hands-on discussions led by experts from across Canada. From HACCP compliance to emerging trends in traceability, sanitation, and allergen management — this summit provides a unique platform to connect, learn, and collaborate on advancing a safer, stronger food system.

As a sponsor, your company will be positioned as a trusted leader in supporting safe, high-quality food production — directly in front of the decision-makers shaping Manitoba's food processing sector.

Made in Manitoba golf tournament (with CME) - July

Tee up for one of the most anticipated industry events of the year — the Made in Manitoba Golf Tournament, presented in partnership with CME. This annual tournament is highly anticipated and always sells out, bringing together leaders from across Manitoba's manufacturing and food & beverage sectors for a day of networking, community, and celebration.

Hole Sponsorships

We are currently inviting Hole Sponsors—a valuable opportunity to showcase your brand and make meaningful connections.

Sponsorship is free; simply bring your own food samples, product giveaways, displays, or demonstrations to engage golfers throughout the course.

Promote your company, highlight what makes your product proudly Manitoba-made, and connect directly with participants.

We are also accepting Gift Bag Donations to help create a memorable takeaway experience for attendees.

Ways to Get Involved

- Hole Sponsorship (free; bring your own product or display)
- Gift Bag product contributions
- Promote and sample Made-in-Manitoba goods
- Build relationships with industry decision-makers

To reserve your sponsorship space or coordinate gift bag contributions, please contact us—spots fill quickly.

We look forward to an incredible day on the course and to celebrating Manitoba-made excellence together.
